CENTRAL DIVISION

UNITED STATES OF AMERICA

v.

No. 4:20CR00288-01 DPM

MUJERA BENJAMIN LUNGAHO

**MOTION TO WITHDRAW
SUPERSEDING MOTION TO REVOKE**

The United States filed a superseding motion to revoke (Doc. No. 63) on February 10, 2021. On that same day, a bond revocation hearing was held. The Court modified the defendant's conditions of release rendering the superseding motion moot. Therefore, the United States withdraws the superseding motion to revoke.

Respectfully submitted,
